

2 Separate account of \$4000.00 each are used to determine the amount of gain.
 For each trade we use 1/8 of an account. Each contract is \$500.00 and that is 1 contract
 for each trade. If there are 2 trades at same time, most likely it will be in 2 diff. accounts
 1 point gain means \$50.00 and 1 point loss means -\$50.00.
 Net% means the commission has been deducted and the % includes the commissions.
 Our system will need 160 points to double an account
